PROFESSIONAL SUMMARY

Front-end developer with 4 years of experience building web and mobile applications using React, Next.js and React Native. Strong background in transforming Figma prototypes into pixel-accurate, accessible, high-performance interfaces. Experienced in component design, code reviews, performance optimization, and delivering production features in Agile/Scrum teams.

PROFESSIONAL EXPERIENCE

Varsel Agency | Out 2021 - Ago 2023

Front-end & Mobile Developer (Junior, Freelancer)

- Implementation of responsive and accessible interfaces in React and React Native, aligned with prototypes in Figma.
- Delivery of self-service systems for customers, increasing operational efficiency and reducing support costs.

Astrotech Software House | Ago 2023 - Set 2024

Front-end Developer (Junior)

- Multidisciplinary teamwork with Scrum, participating in sprints, planning, and refinement.
- Development of integrations between front-end and REST APIs using React + TypeScript.
- Application of unit and automated tests with Jest and Cypress, increasing test coverage by 30%.

Ux Agency | Set 2024 - 2025

Front-end & Mobile Developer (Mid)

- Direct communication with clients to align expectations and deliver weekly features.
- Creation of web and mobile solutions for multiple clients, from institutional websites to complex applications in Next.js.
- Collaborated closely with designers and product managers in Agile/Scrum ceremonies to deliver weekly features.
